**“ADVERTISEMENT FOR PROPOSALS” CITY OF ST. JOSEPH
WATER & SEWER REPAIR AND MAINTENANCE SUPPLIES**

It has come to the attention of the City of St. Joseph that certain items listed on the Water & Sewer Repair and Maintenance Supplies request for pricing may be effected by fluxuations in material pricing and therefore difficult to provide a firm price to be honored for a complete calendar year. Therefore, the City of St. Joseph is requesting that vendors provide pricing for each item and include notes to explain if certain pricing is subject to change. For those items, vendors will be contacted at the time of purchase to confirm pricing.
