Title: _____

Basic Design Description: _____

Please give the address and any specific instructions regarding delivery of your mold piece, including directions, if necessary? (Note: Delivery and pickup is the responsibility of the City of St. Joseph. Delivery will be the first week of February with pickup no later than April 7th.) _____

There are two basic mold designs with a total of 20 pieces for the entire 2017 display, “Fishing for Fun in St. Joseph” Included is a Jumping Fish (10) that has two components to the mold (the body and tail are not attached); and a Friendly Shark (10). Attached are examples/outlines of what the molds look like to assist you with your design sketch.

I agree to reimburse the Public Art Project the total \$2,000 cost of my art piece, should I fail to complete my art for display by April 10, 2017. I further agree to abide by all project rules and regulations as set forth by the City of St. Joseph.

Project Rules

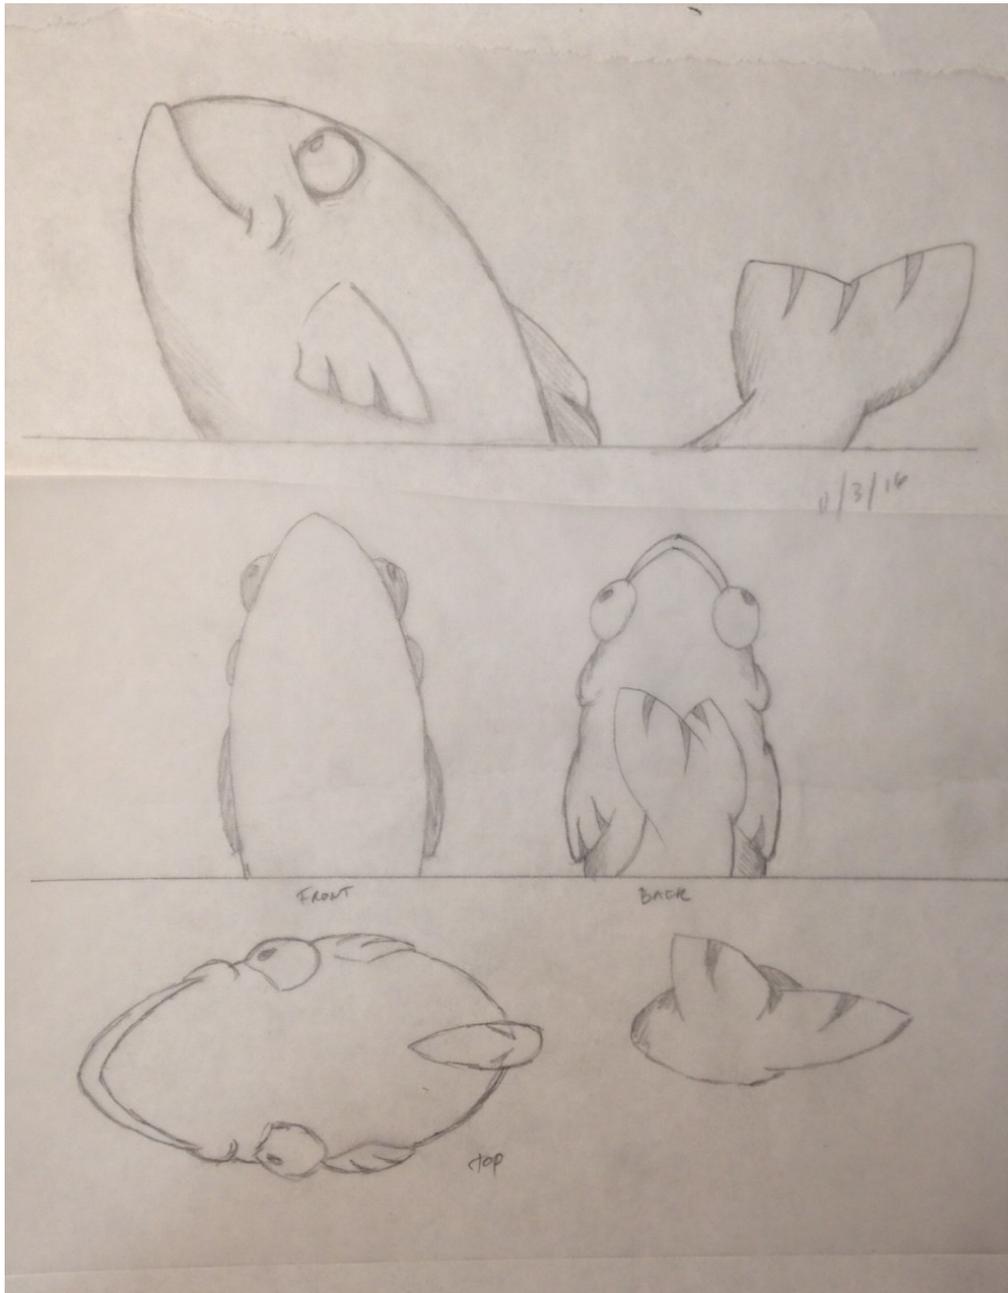

- All applications must be received by the City Manager's Office no later than January 2, 2017.
- A committee will review your request; if selected you will be notified prior to February 1, 2017.
- All art must be completed and returned no later than April 7, 2017.
- All art will be displayed within the City Limits.
- Materials used to finish the art piece must withstand changing weather conditions.
- Material must be safe and durable enough for the public to touch.
- Direct advertising of a product or a company will not be permitted.
- Libelous, slanderous, or designs showing social disrespect will not be permitted.
- All materials/supplies needed to finish the art piece will be acquired at the applicant's expense.
- The applicant understands the City of St. Joseph is not responsible for any costs associated with decorating the pieces.
- City staff will handle transporting the art, including delivery and pick up.
- Sponsors have first right of refusal in purchasing their art piece at an amount set by the City of St. Joseph. If the sponsor is not interested in purchasing their art, the piece will be sold at auction in late September.

Friendly Shark is approximately 4 feet tall, 30 inches wide and 6 feet long.

Quantity: 10

Jumping fish is approximately 5 feet tall x 30 inches wide with an overall 8' foot display. Please note that the tail and body are two separate mold pieces (are not attached). Each will be placed on the sidewalk with the illusion that it is coming out of the water.

Quantity: 10
