THE PRESIDENT'S VOLUNTEER SERVICE AWARD - RSVP

The President's Council on Service and Civic Participation (the Council) was established in 2003 to recognize the valuable contributions volunteers are making in our communities and to encourage more people to serve. The Council created the President's Volunteer Service Award program as a way to thank and honor Americans who, by their demonstrated commitment and example, inspire others to engage in volunteer service. The program continues as an initiative of the Corporation for National and Community Service (CNCS).

Recognizing and honoring volunteers sets a standard for service, encourages a sustained commitment to civic participation and inspires others to make service a central part of their lives.

Several members of the public safety department's Retired Senior Volunteer Patrol unit have been recognized for their commitment through the President's Volunteer Award Program for their dedication.
