

Hello!

You are invited to provide input on an upcoming project by the City of St. Joseph to reconstruct Parking Lot 11, located north of Broad St and west of Church St. The City has engaged with Spicer Group to provide engineering and landscape architecture services for this project.

A meeting will be held on Friday, October 11 at 12:00 pm in the City Commission Chambers located at 700 Broad Street, at which time we will be soliciting input from users of Parking Lot 11 in preparation of developing a conceptual design. Pizza will be provided for attendees.

If you are unable to attend the meeting and would like your comments to be considered, you can email Spicer Group Project Manager Kevin Wilks at kevinw@spicergroup.com.

We look forward to hearing your input!
